JULIA C. DUDLEY, CLERK  
BY: *K. Bauseman*  
DEPUTY CLERK

Ref: Domomoske Tentative Settlement agreement

5: 08cv00066

I have received notice of this class action Claim against Bank Of America, and although I am part of this class action, I strongly object to the amount that will be distributed to each claimant, which could be anywhere from the \$100.00 to as low as \$2.00 which I consider objectionable.

Based on the information provided, as I understand it, each violation has a penalty of \$100.00 to \$1,000.000 and if Bank of America lost the trial punitive damages would also enter in the equation.

From my point of view, a reasonable settlement and following the letter of the law, should be a minimum of **\$100.00 per claimant NET** regardless of how many claims are actually filed, and legal fees and court costs to be paid separately.

I hope my objection is taken into consideration before the court makes a determination regarding the proposed settlement.

Sincerely

Robert Osorio
